WORK EXPERIENCE

Self Employed - Body Repairs Germiston

Jan 2023 - Current

Minor Body Repairs & Spray Painter (Full Time)

- Sprayed prepared surfaces with primers and decorative or finish coatings.
 - Filled small dents and scratches with body fillers and smooth surfaces to prepare for painting.
 - Buffed and wax finished paintwork.
 - Mixed paint colors according to factory formulas in order to match original finish color.
 - Performed soldering, body alignment and frame and unibody repairs to reconstruct auto body.
- &
- SINCE JANUARY 2023, I have been doing spray painting independently by finding my own client base, but recently things have become more difficult, so I have decided to find a job that is more permanent with a fixed income to depend on. Similar role in which I had in my previous job.
